Dear Parents,

Today the kinders learnt a new (and admittedly somewhat annoying!) new song:

**Sepuluh botol hijau, duduk di dinding (x2)  
Kalau satu botol hijau akan terjatuh  
Ada sembilan botol hijau duduk di dinding.**

10 green bottles sitting on the wall (x2)  
If 1 green bottle should accidentally fall  
There are 9 green bottles sitting on the wall.

We also learnt a new phrase:

**Saya suka makan....** I like to eat.....  
**Saya tidak suka makan...** I don't like to eat...

Perhaps you could encourage your child to tell you what they like/don't like to eat using Indonesian at dinner time.

Yesus memberkati,
