

23.4.12

Dear Parents,

Today in Indonesian we practised some new responses to "Apa Kabar?" (How are you?) because I'm getting tired of "baik-baik saja" (just fine)!! We learnt:

kurang baik	not so good
sedih	sad
gembira	joyful
marah	angry
lapar	hungry
haus	thirsty

We've also been learning to talk about hair colour and eye-colour, and name various body parts. The children are getting pretty good at singing the familiar "Head, Shoulders, Knees & Toes" song in Indonesian now.

Kepala, bahu, lutut, jari-kaki	Head, shoulder, knees, toes
Mata, telinga, mulut dan hidung	Eyes, ears, mouth and nose.

Rambut saya...	My hair...
Mata saya...	My eyes...

Thanks for sending in your family photos, we enjoyed looking at those. I'll return them to you this week.

Yesus memberkati,

Sonya Ambrose
