

13.8.12

Dear Parents,

This morning there was great excitement as we opened the second last **jendela** (window) on our **rumah** (house). Today we looked at the **kebun** (garden) and learnt the word **bunga** (flower). We're also reviewing all the colour words at the moment. We focussed on **merah** (red), **hijau** (green), **kuning** (yellow) and **biru** (blue) in our lesson today.

The kinders learnt 2 new songs:

Kelip Kelip Si Bintang

Kelip kelip si bintang  
Kupikir dalam hati  
Jauh di atas dunia  
S'perti intan angkasa  
Kelip kelip si bintang  
Kupikir dalam hati

Twinkle, Twinkle, Little Star

Twinkle, twinkle, little star  
How I wonder what you are  
Up above the world so high  
Like a diamond in the sky  
Twinkle, Twinkle, little star  
How I wonder what you are

Sepuluh Bunga

Satu, dua, tiga, bunga,  
empat, lima, enam, bunga,  
tujuh, delapan, sembilan, bunga,  
sepuluh bunga-bunga.

10 Flowers  
1,2,3 flowers  
4,5,6 flowers  
7,8,9 flowers  
10 flowers

I'm continually amazed at how many new words your clever little kiddies are able to recall! We review most of our flashcards at the start of every lesson and the majority of the kinders can remember nearly *all* of the words we've been practising!! They're a clever bunch.

Yesus memberkati,

Sonya Ambrose
